my **DADDY** wasn't
always a ~~**DADDY!**~~
~~Super Daddy!~~
Super-SUPER Daddy!

My Daddy wasn't
always a Daddy.

Or so he says.

A large, textured red sweater dominates the left side of the frame. A small, white, round figure with large eyes and thin arms is peeking out from a pocket on the sweater. The background on the right features a series of diagonal stripes in light blue and white, creating a sense of depth and light.

It all started
when I grew big
inside his pocket.

That's what he says.

And then that day when I hopped out and
Mommy nearly fainted...

...that is the day,
he says, he felt like
a real Daddy.

For the longest time
that you can imagine...

...my Daddy was the
BEST daddy in the world.

You see?

Then, he decided
to get better.

It's true; he says
it all the time.

My Super Daddy says he
can now do anything for me.

Anything.

?

HAPPY ♥
BIRTHDAY

Do I believe him; is that what you ask?

Ha ha ha ha ha ha ha ha ha ha ha ha

ha ha ha ha ha ha ha ha ha ha ha ha!

Oh!

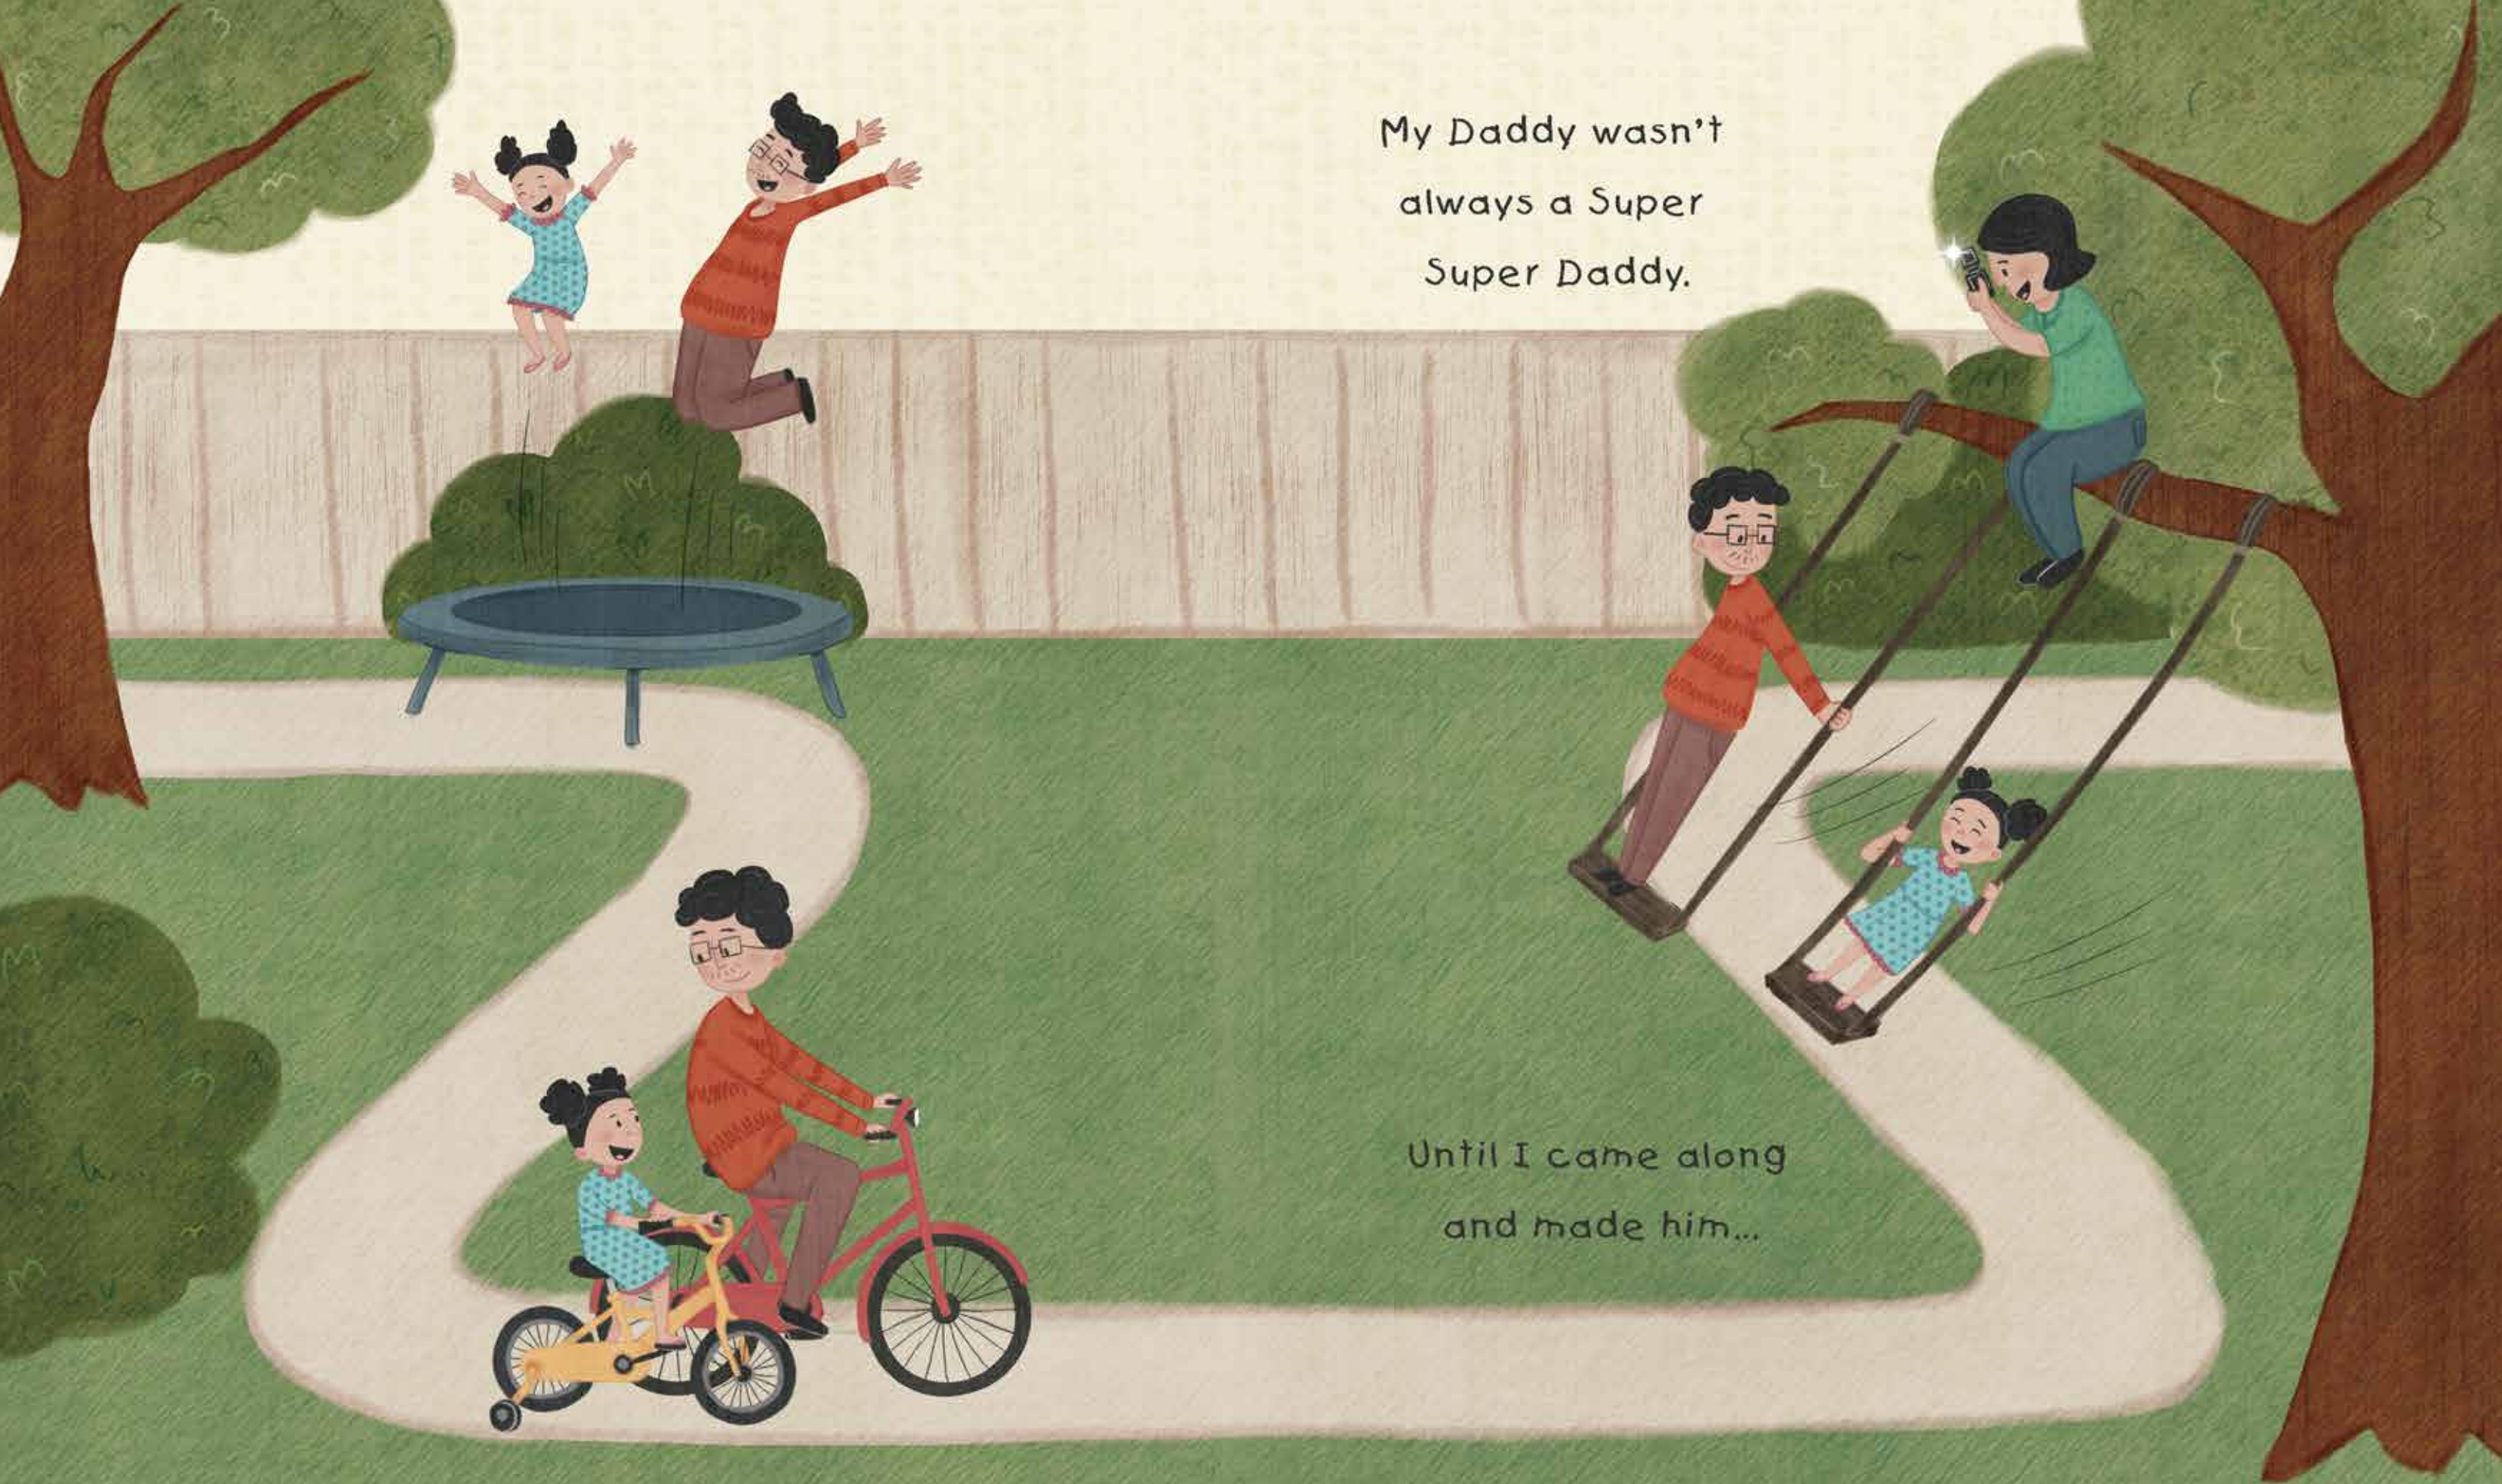

Come with me, Daddy,
I say, and let's do
what we do best!

My Daddy wasn't
always a Super
Super Daddy.

Until I came along
and made him...

...the BESTEST Daddy in the world.

Yes. That's what I say.

My Daddy wasn't always a Daddy.

Or so he says.

It all started when I grew big inside his pocket.

That's what he says.
